

# Minnesota Paint Recycling Program Effective November 1, 2014 Hirshfield's Paint Drop-Off Sites

## What Products Are Covered?

Architectural paints ("Program Products") are defined as interior and exterior architectural coatings sold in containers of 5 gallons or less. However, they **do not include** aerosol products (spray cans), industrial maintenance (IM), original equipment manufacturer (OEM) or specialty coatings. Make sure all containers of paint have lids and original labels. Refer to [www.paintcare.org](http://www.paintcare.org) for additional information.

## How to Process a Drop-Off

Program begins NOVEMBER 1, 2104. Due to potential heavy demand at the outset of the program, qualifying products (defined above) up to 5 gallons can be brought to one of the Hirshfield's stores listed below and **must be checked in by a Hirshfield's sales associate**. *No more than 5 gallons of Program Product may be dropped-off at one time.*
